Mission Statement

The University of Magic & Divine Feminine Energies aims to empower women by reconnecting them to their inherent archetypes and ancient wisdom, exploring the divine feminine through spiritual practices, mythology, witchcraft, elemental magic, herbalism, astrology, and ritualistic arts. Our goal is to inspire wonder, unlock personal power, and foster a collective consciousness rooted in ancient traditions and modern practices, guiding women to harness their innate energies to create harmony within themselves, their communities, and nature.

October 2024

Dear,
Student,

With humble gratitude, I am honored to cordially invite you to join the University of Magic & Divine Feminine Energies as a student where you will learn about all things Magical & Divine Feminine.

It is with cosmic hope that this invitation aligns with the calling of your spirit, igniting your imagination to assist in the creation of this great university. Together, we will grow alongside fellow students, staff & practitioners, building a place of wonder, wisdom, and spiritual transformation.

Upon your acceptance of this invitation, we invoke the spiritual energies of the universe to awaken to our call. An initiation and emergence of ancient source energies from the deepest roots circling around awaiting a place to call home while expanding the lineage of generations to come. A legacy that will echo into the cosmos, creating ripples of much needed transformation and healing.

As above, so below—may our energies coalesce and blend, painting new realities on the canvas of an emerging collective. Let us walk this path together, weaving magic and ancient knowledge into the fabric of a shared future.

With deepest respect and excitement for what is to come,

Faculty & Leadership

Faculty & Leadership

- **Deans:** Your Dean will serve as the visionary leader of the School of Magic & Divine Feminine Energies, responsible for overseeing academic programs, faculty development, and the spiritual integrity of the school's mission. The ideal candidate will embody both scholarly excellence and deep understanding of mystical traditions, with expertise in magic, healing arts, divine feminine practices, and ancient wisdom.
 - Key responsibilities include curriculum development, fostering community among students and faculty, promoting research in esoteric studies, and ensuring the school remains a beacon of spiritual growth, creativity, and empowerment. The Dean will guide the university's sacred mission, merging ancient practices with contemporary spiritual innovation.
- **Faculty Members:** Your faculty members will serve as experts in their fields, teaching and guiding students in areas such as ancient texts, astrology, herbalism, witchcraft, elemental magic, yoga, weather divination, and spiritual feminism. Ideal candidates will bring a wealth of knowledge in these esoteric practices, with the ability to blend ancient wisdom with modern applications.
 - Key responsibilities include developing and delivering courses, contributing to curriculum design, and fostering a supportive and transformative learning environment. Faculty members will inspire students to explore and embody their spiritual, magical, and feminine energies, helping them connect deeply with ancestral wisdom and their own potential.
- **Leaders & Coaches:** Your leaders and coaches will be female spiritual guides or male advocates from global spiritual communities and various indigenous traditions. They will mentor and empower students through their deep knowledge of ancestral practices, spiritual leadership, and feminine wisdom.
 - Key responsibilities include facilitating workshops, providing personal guidance, and offering transformative tools from their unique cultural and spiritual backgrounds. Leaders and coaches will play a vital role in cultivating a nurturing, empowering space where students can develop their spiritual strengths and leadership abilities.
